

THE DEVIL'S BANKER

Fascinating Vatican-Mafia Political Crime Thriller

With the ongoing banking corruption scandals continuing worldwide, this socio-political crime thriller will shock viewers and leave audiences astounded!

BASED ON THE TRUE STORY – “On June 17, 1982 the body of a well-dressed man is found hanging under London’s Blackfriars Bridge with no identification. However in his pockets are found bricks and \$15,000 in various currencies. Murder..? Suicide..? British Inspector ‘Serge Porter’ is called in to investigate the case when it is discovered the hanged man is none other than Roberto Calvi, the Vatican’s banker and Chairman-Director of Banco Ambrosiano.”

In Inspector Porter’s quest for the truth, he finds himself up against all odds with the devious manipulations and inner sanctum of the Vatican and Church of Rome, the Italian Mafia P-2 Masonic lodge, corrupt government officials, and Italian police and politicians. This is an outstanding ‘*Top-shelf*’ political crime thriller with all the ingredients for success worldwide!
